2021-2022 Targeted Monitoring Indicators and Evidence

The New York State Education Department uses the process of Targeted Monitoring (ESEA), as amended by the Every Student Succeeds Act (ESSA). This work follows up on the Consolidated Application for ESSA-Funded Programs that LEAs submit each year in order to fund programs under Title I, Part A, Title I, Part D, Title II, Part A, Title III, Part A, Title IV, Part A, and Title V, Part B. Through the monitoring process, the Department seeks to verify that the LEA is following the programmatic and fiscal plans submitted in the Consolidated Application and maintaining compliance with the ESSA assurances embedded within the application.

The LEA should present evidence demonstrating compliance with each section of this review form. This form identifies evidence that should be submitted in order to meet each indicator. Please note the evidence list is not exhaustive; the district may have additional documentation or alternative documentation that may satisfy a particular indicator.

The LEA should upload all documents to the secure business portal by the requested due date. This will allow for ample review prior to the scheduled review meetings. For some indicators, compliance will be assessed through review of the Consolidated Application for ESSA Funded Programs in addition to staff interviews and document uploads. Please note: if the LEA does not have documentation for a particular indicator, the LEA may provide an explanation in the comment box and/or check the box requesting technical assistance.
