Rochester City School District
Quarterly Report
February 2019 to April 2019

Jaime Aquino, PhD

Quarterly Report
February 2019 to April 2019

Governance and District Leadership

x

These types of committees or task forces should be established by the Superintendent as the work of this committee seems to deal with the management of the district. The committee should continue and then let the new Superintendent make a determination or recommendation to the Board as to whether this is the right structure he/she wants to use to address racial inequities.”
