Note that in preparing for the administration of the New York State English as a Second Language Achievement Test (NYSESLAT), LEAs may have already reported appropriate ELL/MLL codes in the SIRS. However, LEAs must view the counts in the reports available May 14 - June 8, make corrections to inaccurate public and charter school student data in their local student management systems, and ensure that the revised data are loaded into Level 2 of the SIRS by June 8. Local Level 1 data centers will require earlier due dates to allow sufficient time for processing.

Districts should work with nonpublic schools to ensure that inaccurate data are identified. Nonpublic schools with incorrect ELL/MLL counts should submit corrected ELL/MLL counts for Item 5A of their Fall 2017 BEDS Report of Nonpublic Schools form and send them to the NYSED Office of Information and Reporting Services (IRS) at datasupport@nysed.gov with the subject line "Nonpublic school ELL/MLL counts should reflect students who were enrolled on BEDS day, October 4, 2017". Questions concerning nonpublic school ELL/MLL corrections may be directed to the IRS office at datasupport@nysed.gov (518) 474-7965.

If you have any questions regarding these procedures, please call the Office of Bilingual Education and World Languages at obewl@nysed.gov (518) 474-8775 or contact the Office of Information and Reporting Services at datasupport@nysed.gov (518) 474-7965.
