INCOME TAXES

The School is exempt from Federal, state and local income taxes under Section 501 (c)(3) of the Internal Revenue Code ("IRC") and therefore has made no provision for income taxes in the accompanying financial statements. In addition, the School has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a)(2) and 170 (B)(1)(A)(II) of the IRC. There was no unrelated business income for the years ended June 30, 2020 and 2019 respectively.

The accounting standards on accounting for uncertainty in income taxes address the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the School may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the School and various positions related to the potential sources of unrelated business taxable income ("UBIT"). The tax benefits recognized in the financial statements from a tax position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for fiscal years 2020 and 2019.

The School has filed IRS Form 990 information returns, as required, and all other applicable returns in jurisdictions where required. For the years ended June 30, 2020 and 2019 respectively, there was no interest or penalties recorded or included in the statement of activities. The School is subject to routine audits by

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. On an ongoing basis, management evaluates the estimates and assumptions based on new information. Management believes that the estimates and assumptions are reasonable in the circumstances; however, actual results could differ from those estimates.

NEW ACCOUNTING STANDARDS (CONTINUED)

Through June 2020, the Financial Accounting Standards Board (“FASB”) issued various updates (“ASUs”) to the FASB Accounting Standards Codification (“ASC”). No ASU’s were adopted during the year-ended June 30, 2020 that had a material effect on its financial statements. In addition, management believes that ASUs that have a prospective effective date will not have a material impact on its financial statements. ASU 2017-07 related to Improving the Presentation of Net Periodic Pension Cost and Net Periodic Postretirement Benefit Cost was implemented in the current fiscal year with no material effect on the financial statements.

3. CONCENTRATION OF CREDIT RISK

The School maintains its cash balances at financial institutions located in New York and are insured by the Federal Deposit Insurance Corporation (“FDIC”) up to \$250,000 at each institution. At June 30, 2020 the School’s uninsured cash balances totaled \$16,629,097. The School’s management monitors the balances in excess of the FDIC coverage to limit any exposure to loss due to credit risk on cash and cash equivalents. However, the School has not experienced any losses in such accounts and does not believe it is exposed to significant risk on its cash and cash equivalent accounts.

4. PUPIL ENROLLMENT AND OTHER REVENUES FROM GOVERNMENT AGENCIES

Under the School’s charter school agreement and the Charter Schools Act, the School is entitled to receive funding from the NYSED through pupil enrollment funds. The calculation of the amounts to be paid to the School under these programs is determined by the NYSED and is based on complex laws and regulations, enrollment levels, and economic information related to the home school districts of the children enrolled in the School. If these regulations were to change, or other factors included in the calculations were to change, the level of funding that the School receives could vary significantly.

Federal food subsidies and Title I, II and IV funds are received through grants approved by the U.S. Department of Agriculture and Education, respectively. The State food subsidies are received through grants approved by the NYSED.

The amount received from government agencies and included as revenue in the Statements of Activities consist of the following as of June 30:

ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To The Board of Trustees
Roosevelt Children's Academy Charter School, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Roosevelt Children's Academy Charter School, Inc. (the "School") (a nonprofit organization), which comprise the statement of

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of law, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the School's internal control and compliance.
