Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: https://www.engageny.org/resource/appr-3012-d.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

If the teacher is not satisfied with the results of the appeal to the Appeals Committee they may file an appeal with the Superintendent of Schools.

F. Timeframe for Appeals

1. Appeals must be submitted in writing or via school email with a return receipt; the subject line of the email must indicate "the appeal of my APPR rating", to the Building Principal and must copy in the President(s) of the Association and Superintendent, no later than fifteen (15) days from the date when the teacher receives the Annual Professional Performance Review final rating.

TEACHER IMPROVEMENT PLAN (TIP)

The Teacher Improvement Plan (TIP) is designed to provide support to teachers who receive overall ratings of Developing or Ineffective on the Annual Professional Performance Review.

Upon receiving a rating of "developing" or "ineffective", a teacher shall be provided with a TIP. The affected teacher will be notified by September 1st. The TIP will be implemented by October 1st of the school year next following the school year in which the educator was rated Ineffective or Developing overall, or as soon as practicable thereafter. The Parties understand and agree that the sole and exclusive purpose of a TIP is the improvement of teaching practice and that the issuance of a TIP is not a disciplinary action.

Nothing shall be construed to affect the unfettered statutory right of a district to terminate a probationary (non-tenured) teacher for any statutorily and constitutionally permissible reasons.

The district shall notify the Forestville Teachers Association immediately of any teachers who is rated as "developing" or "ineffective".

The TIP shall be developed in consultation with the teacher and union representation, using the negotiated forms. Every reasonable effort shall be made to have these meetings during the school day. However, it is understood that developing the plan may require meetings after the school day or during the summer.

A TIP shall clearly specify:

(i) the area(s) in need of improvement;

(ii) the performance goals, expectations, benchmarks, standards and timelines the teacher must meet in order to achieve an effective rating;

(iii) how improvement will be measured and monitored, and provide for periodic reviews of progress; and

(iv) the appropriate differentiated professional development opportunities, materials, resources and supports the District will make available to assist the teacher including, where appropriate, the assignment of a mentor teacher. The plan for improvement may include peer coaching, classroom visitations, training conferences, coursework, selected reading, and supervisory conferences.
