**Background and Instructions****Background**

Section 9-a of part A of chapter 56 of the laws of 2021, as amended by §5-a of part A of chapter 56 of the laws of 2022 requires, on or before July 1, 2022, every local educational agency (LEA) receiving funding from the Elementary and Secondary School Emergency Relief (ESSER) funding from the American Rescue Plan (ARP) act of 2021 to post on its website and submit to the New York State Education Department (NYSED) an updated plan of how such funds will be expended and how the LEA will prioritize spending on non-recurring expenses as defined in section 9-a(1) of part A of chapter 56 of the laws of 2021. This updated plan must include:

- An analysis of public comment;
- Goals and ratios for pupil support;
- Detailed summaries of Investments in current year activities; and
- Balance of funds spent in priority areas.

**Instructions**

The *State Budget Reporting Survey* is due by July 1, 2022.

LEAs must complete all sections and are required to answer questions marked with a red asterisk. If a required question has not been completed, the business portal will highlight it in red and the section of the application will be flagged. The applicant will be unable to submit the application to NYSED for final review if a required question remains unresolved.

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs) or the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs), are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs are NOT REQUIRED

ARP ESSER funds were primarily earmarked for addressing the impact of the COVID-19 pandemic on students' learning loss which resulted from interrupted instruction. Funds were also used to implement strategies to meet the social, emotional, mental and academic needs of students. Funds were utilized to hire instructional coaches to work with teachers and interventionists to enhance effective classroom pedagogy and curricular alignment. Additional interventionist specialists worked with teachers and students to support the RtI processes in place to help support students struggling academically. Several part time teachers were increased to full time FTE status to assist with providing academic as well as SEL support to students. A full time social worker was hired, as well as an additional speech language pathologist. Professional development has been/will be provided to support strengthening instructional practices, particularly in reading.	477,333
ESSER funds were used to provide for extended learning and enrichment programs, including field trips aligned to course learning outcomes.	2,021
