Background and Instructions**Background**

Section 9-a of part A of chapter 56 of the laws of 2021, as amended by §5-a of part A of chapter 56 of the laws of 2022 requires, on or before July 1, 2022, every local educational agency (LEA) receiving funding from the Elementary and Secondary School Emergency Relief (ESSER) funding from the American Rescue Plan (ARP) act of 2021 to post on its website and submit to the New York State Education Department (NYSED) an updated plan of how such funds will be expended and how the LEA will prioritize spending on non-recurring expenses as defined in section 9-a(1) of part A of chapter 56 of the laws of 2021. This updated plan must include:

- An analysis of public comment;
- Goals and ratios for pupil support;
- Detailed summaries of Investments in current year activities; and
- Balance of funds spent in priority areas.

Instructions

The *State Budget Reporting Survey* is due by July 1, 2022.

LEAs must complete all sections and are required to answer questions marked with a red asterisk. If a required question has not been completed, the business portal will highlight it in red and the section of the application will be flagged. The applicant will be unable to submit the application to NYSED for final review if a required question remains unresolved.

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs) or the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs), are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs are NOT REQUIRED to send hard copies of survey materials to the Department.

ESSER I, II and III Stakeholder Feedback Summary
Brooklyn Excelsior Charter School
May 16th, 2022

1. After review and analysis of all stakeholder survey results what trends were identified?

- Summer learning programs and tutoring programs were the items that most stakeholders indicated as being the highest priorities for the 2022-2023 school year.
- Materials and resources were found to be the second highest priority among stakeholders, and the third highest priority was retaining and attracting highly qualified staff.
- Social emotional learning programs were prioritized higher from teachers and staff than they were from parent populations.
- Attracting additional school personnel was prioritized higher than items relating to technology or PPE.
- PPE and digital tools were not highly prioritized.

2. How will these trends be addressed using COVID funding?

- Invest more into summer school tutoring programs.
- Increase the hourly rate of summer school staff.
- Increase number or resources and programs that address social emotional learning
- Increase number of after-school tutors
- Invest in outside tutoring programs that will provide tutoring for a longer period throughout the year.
- Invest in materials/resources for social emotional learning programs
- Allocate funds for teacher retention bonuses, performance bonuses, and signing bonuses

ESSER I, II, and III: The LEA will consider moving necessary interventions and supports to other COVID grants and or federal grant funding sources based on data analysis, stakeholder input, and available funding.

3. Please provide a description of program goals and per pupil teacher ratios for priorities supported by ARP - ESSER funding. Click on "Add Row" as needed to include additional program goals.
