

What extends

the date by which school building leader (SBL) preparation programs must be aligned with the Professional Standards for Educational Leaders (PSELs) from September 2022 to September 1, 2023 in order to provide programs with additional time to revise their curriculum, if needed, given the continuing challenges presented by the COVID-19 pandemic. The proposed amendment also extends the deadline for the School Building Leader Assessment [safety net](#) from August 2024 to August 2025. The proposal became effective as an emergency measure on June 2022. Public comments on the proposal can be submitted to oheregcomments@sed.gov through August 2, 2022.
