- 3. The maximum class sizes are consistent with section 200.6(h)(4) of the Regulations of the Commissioner of Education and are proposed as one or more of the following:
 - 12 students to one teacher (plus additional staff)
 - 8 students to one teacher (plus additionalstaff)
 - 6 students to one teacher (plus additionalstaff)

No other class size options will be considered (e.g., 7 students to one teacher plus additional staff).

The chronological age range within 12:1+1, 8:1+1 and 6:1+1 special classes of students with disabilities who are less than 16 years of age does not exceed 36 months. (There are no chronological age-range limitations for students in 12:1+(3:1) special classes or for students with disabilities in special classes who are 16 years of age or older.)

- 4. The plan describes how students will be grouped, for instructional purposes, based on similarity of needs.
- 5. The program provides a comprehensive list of related services it will provide that is sufficient to meet anticipated IEP needs of students enrolled in the program.

The projected caseloads of related service providers are consistent with the identified population to be served. The caseload of each teacher providing speech and language services does not exceed 65 students and is consistent with the population to be served.

6. The program proposes a daily schedule which reflects inclusion of meaningful and age-appropriate instructional activities from arrival to dismissal.

Related services are scheduled within the instructional day. The program is operational during regular business hours.
