

The Department will provide a Model Response Set for the Regents Examination in Algebra II. This guidance is recommended to be part of the scorer training. Schools are encouraged to incorporate the Model Response Set into the scorer training or to use it as additional information during scoring. While not reflective of all scenarios, the model responses selected for the Model Response Set illustrate how some less common student responses to constructed-response questions may be scored. The [Model Response Set](#) will be available on the Department's website on the same dates and times as the rating guide for this examination. The same passwords will be used to access the Model Response Set and the scoring key and rating guide posted on the day of the examination.
